PARALLEL TASK GROUP MEETINGS – FRIDAY 15 NOVEMBER 09:00-11.00

Agenda Joint TG meeting DRIS-Best Practice and CRIS-IR

Chairs: Pablo de Castro and Danica Zendulková

1. Introduction - the new TG structure

2. The draft CRIS implementation landscape in Europe
- The „*Institutional CRIS implementation in Europe: one goal, different strategies and speeds*" presentation (mention)
- The draft analysis of the regional membership basis in Europe (mention)
- Different models for CRIS implementation: emphasis on institutional vs national/regional-driven approach

3. Collecting information for euroCRIS: a request for TG member contributions
 - Collecting new entries for the DRIS
 - Collecting specific information on models for CRIS/IR interoperability - as part of the Best Practice strand
 - Putting together one-page national reports (linked to the models on 2.3): preliminary discussion with examples

4. Defining Best Practice areas and procedures to document them: preliminary suggestions and discussion

5. Reasons for CRIS-IR integration: how to involve the library community

6. The CRIS-IR application map as a first step for Best Practice
